

## Medi-Cal Rx begins January 1<sup>st</sup>, are you ready?

As of January 1, 2022, all pharmacy benefits will transition away from CA-MMIS and the Medi-Cal managed care plans to Medi-Cal Rx. This transition will create a uniform process for pharmacy providers and prescribers and applies to everyone in Medi-Cal FFS and managed care. All benefits that are billed on a pharmacy claim will be transitioned to Medi-Cal Rx and all Prior Authorizations (PA) will be reviewed by Medi-Cal Rx starting on January 1.

To prepare for Medi-Cal Rx, we encourage you to visit the robust [Medi-Cal Rx Education & Outreach](#) page on the [Medi-Cal Rx Web Portal](#) to unlock all the training opportunities and informative materials that are currently available. The [Medi-Cal Rx YouTube Channel](#) offers training videos, including a video on the transition and the resources that directly impact pharmacy providers and prescribers. Medi-Cal Rx is designed to improve your experience with Medi-Cal. Medi-Cal Rx has created a uniform and searchable Contracts Drug List (CDL) for all beneficiaries, it opens up the network to include all pharmacies and has a robust [Transition Policy](#) which includes "grandfathering" for previously approved PAs and a 180-day period where DHCS will not require PA for existing prescriptions in order to provide a seamless beneficiary experience. Medi-Cal Rx also has 24-hour a day, 365 days a year customer service center available to assist prescribers, pharmacy providers, beneficiaries, our managed care partners and others.
